OFFICE OF THE DIRECTOR

Action Memorandum No. A-181

Date 7 February 1963

TO : Deputy Director/Plans
Deputy Director/Research
Deputy Director/Intelligence

SUBJECT : Surveillance of Cuba

REFERENCE:

At the meeting of the Executive Committee of the NSC at 4:00 p.m. on February 5 the following occurred:

1. Higher authority ruled there would be no low-level overflights until further notice.

2. Higher authority asked that incoming ships to Cuba suspected of carrying armament be under careful surveillance. It was pointed out that low-level reconnaissance would not be productive because of the proximity of receiving warehouses to the dockside. On the other hand, if the ship docked at Matanzas or Mariel, low-level photography would be productive.

- a. The DD/P should recruit all resources to collect information on offloading cargoes.
- b. The DD/I should ensure that the Navy is following the ships closely at sea.
- c. The DCI will receive regular reports on the results of the two actions called for in this paragraph.
